News strict Cooling Plant in Dubailand Residential Complex with 40,000 RT ... Ahmad Bin Shafar & Rob Thornton President of the Internati

Welcome to Empower

Increasing focus on energy-efficient and environmentally-friendly cooling solutions has resulted in widespread adoption and implementation of District Cooling Services (DCS) in the region, as DCS is the most preferred and eco-efficient alternative compared to the traditional systems of providing air conditioning services. Empower is created with the objective of providing world class District Cooling Services to Dubai and the region. Empower is determined to satisfy the critical needs of its customers and in the process develop its own distinctive competencies.

Ahmad Bin Shafar

How to register your Company

Step 2

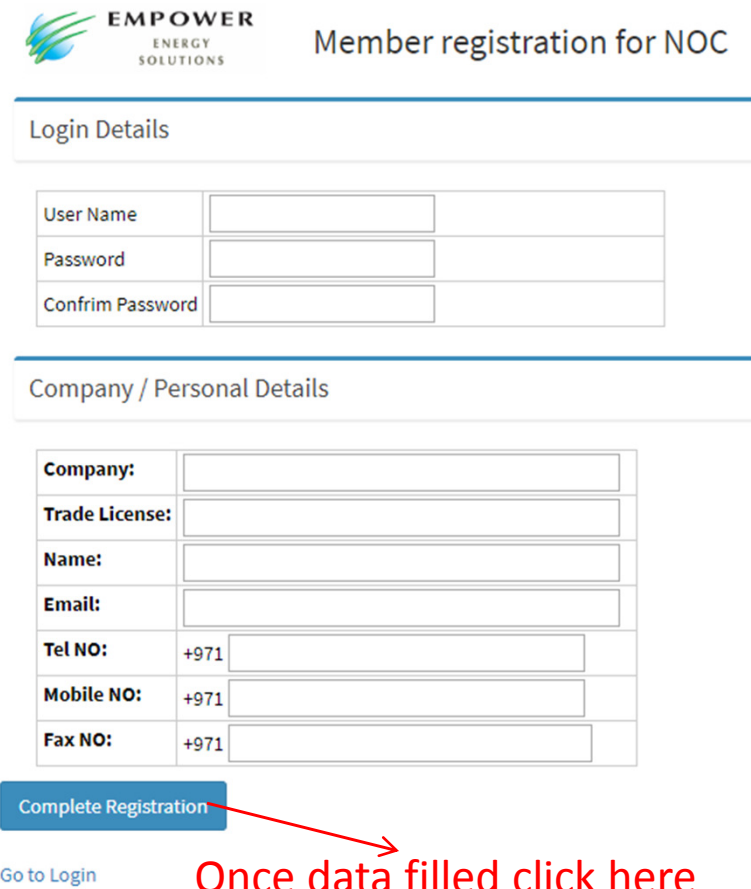

Click on Register a new membership

The image shows the EMPOWER eNOC login and registration interface. At the top, the logo 'EMPOWER ENERGY SOLUTIONS' is displayed. Below it, the text 'Sign in to start your session' is present. There are input fields for 'Username' and 'Password'. A 'Login' button is located below the password field. To the left of the password field is a 'MIWI' logo. Below the login button, there is a link 'I forgot my username/password' and a link 'Register a new membership' which is highlighted with a red rectangle.

Step 3

Register as a company

The image shows the 'Member registration for NOC' form. It is divided into two sections: 'Login Details' and 'Company / Personal Details'. The 'Login Details' section has fields for 'User Name', 'Password', and 'Confrim Password'. The 'Company / Personal Details' section has fields for 'Company:', 'Trade License:', 'Name:', 'Email:', 'Tel NO:', 'Mobile NO:', and 'Fax NO:'. Each field has a corresponding input box. At the bottom, there is a 'Complete Registration' button. A red arrow points from the text 'Once data filled click here' to the 'Complete Registration' button. There is also a 'Go to Login' link at the bottom left.
